

GCSC DEVELOPMENTAL PRESCHOOL

Enrollment Requirements

- Must be at least three years of age and no older than five but **not eligible** for kindergarten.
- Reside within Greencastle Community School Corporation boundaries.
- If you suspect your child is experiencing delays in speech, language, readiness, and social-emotional skills, please contact the Director of Special Education, Kim Sullivan at (765) 653-9771.
- If you do not suspect your child is not experiencing any developmental delays and wish for your child to be a part of our interactive preschool program, please contact Special Services at the Central Office office for additional information or to have your child added to the waitlist (beginning April 1) for the following school year.
- Our program's curriculum is based on Indiana standards for preschool.

Schedule

- Young three old children attend two mornings a week.
- Older three and young four year old children attend three mornings a week.
- Children who are kindergarten bound attend five days a week either AM or PM.

Daily activities led by licensed and highly qualified preschool teachers include the following:

- Circle Time
- Opportunities for receptive and expressive communication
- Reading Stories Aloud
- Pre-Academic skills involving reading, writing and math
- Hands on Activities
- Science Experiments
- Fine Motor Activities
- Gross Motor Activities
- Arts and Crafts
- Social and emotional learning activities
